NOTICE OF MARITIME LIEN

Dear Sir:

Please be advised that we have filed a lien with the United States Coast Guard Office of Vessel Documentation against the above-entitled vessel in the amount of \$_____. A copy of the duly filed and registered lien is attached to this letter.

We have also notified all lien holders listed by the U.S. Coast Guard of this action and of our intent to pursue this lien as a lien superior to all other claims.

This lien may subject your vessel to being seized by the United States Marshal and being sold at public auction to the highest bidder. This matter requires your immediate attention.

Sincerely,
